Deputy Matt Cheson

Deputy Robert Packard
et. al.

Case No. 18-CV-00390-JLR-JPD

Declaration of
David Charles Maier

6/15/18

~~in~~ The documents that the defendants filed and signed that I did not exhaust all of my remedies before filing my lawsuit, is not TRUE.

I recently sent a public records request to Whatcom County Jail for copies of all those documents and documents of my medical records so I can adjust the complaint to put the names of the responsible jail health staff. I would like to add Chief Wendy Jones to the list of defendants.

I have already requested the names of the responsible jail health staff but she denied me while I was still in Whatcom County Jail. Chief Wendy Jones is

Western District of Washington.

6/15/18 clerk of the court, case #18-cv-00390-JLR-JPD
please file the following documents,
Whatcom County Jail is holding evidence
in my case from me and I don't
know what to do. I've been trying
to reach lawyers and had no
success in getting one to take this
case pro Bono.

Can you please send me a
motion to modify my original complaint,
and or a request to do so. also,
if you can please send me Federal
court rules because I have limited
access to the law library, please.

Thank you for all of your
help.

Sincerely
David Mace

Case No. 18-CV-00390-JLR-JD

is the top of the Grievance procedure in Whatcom County Jail and she is a witness, and is withholding all of my evidence from me.

I've also recently filed in this case a request for appointment of counsel, I'm asking the Court again to please Grant me to proceed with counsel. I've made several attempts with much effort and no success such as:

law office of David Robinson

Scott Reilton

law office of Robert Butler

Jeff Thigpen

Sear Lisa PLLC

The Defendants have a high paid, with many years of experience lawyer and prosecutors on their side. I'm just a inmate in a receiving unit still with limited access to the law library.

RE: Public Records Requests 2018-194

Mr. Maier:

Your public records request has been forwarded to me and was received on 06-11-2018. Please consider this my initial response.

Your request if for copies of the "central file in the Whatcom County jail including grievances, medical records, mental health records, grievance appeals, kites, everything in your central file". We actually keep 2 different sets of records; one pertaining to the custody documents and one pertaining to your health care records.

The Form you used to request these documents specify that the copying is to be done only upon written request and from an itemized list prepared after review of records and documents. While I am happy to give you a document page count for the 2 sets, staff will not compile an itemized list of the documents in those files.

The page count for your custody file is 121 pages. Cost per page is \$0.15, for a total cost of \$18.15.

The page count for your medical records is 153 pages. Cost per page is #0.15, for a total cost of \$22.95.

The total cost for copies of all records will be \$41.10. Postage will also be charged. Estimate of that cost is \$2.00, for an estimated total cost of \$43.10. Fees need to be paid in advance.

If you decide you would like some/all of these records, please let me know and I will send you the information on how and where to pay the copy/postage fees.

Please let me know if you have any questions.
